

Enabling Autism

Table top hands-on strategy packed workshop

Come along and see how our staff work with children on the autistic spectrum. See some of the resources that are used and receive live demos on how these tools enable children in the areas of speech and language, maths, reading and writing.

Staff will model, answer questions and provide practical ideas on how they have implemented these tools.

Who will benefit from this course?

Senior leaders, SENCos, teachers and support staff working with children with autism

Aim

This taster session will give you practical strategies and ideas for easy resources to support teaching and enabling pupils with autism.
